Privacy Policy

Your privacy is important to Ubisive S.r.l. Sometimes we need information to provide services that you request, this privacy statement applies to Ubisive and its products. Personal Information We DO NOT collect, store or use any personal information while you visit, download or upgrade our products. We may use personal information submitted by you only for the following purposes: help us develop, deliver, and improve our products and services and supply higher quality service; manage online surveys and other activities you’ve participated in. In the following circumstances, we may disclose your personal information according to your wish or regulations by law:

· (1) Your prior permission;

· (2) By the applicable law within or outside your country of residence, legal process, litigation requests;

· (3) By requests from public and governmental authorities;

· (4) To protect our legal rights and interests.

Non-Personal Information

We may collect and use non-personal information in the following circumstances. To have a better understanding in user’s behavior, solve problems in products and services, improve our products, services and advertising, we may collect non-personal information such as installed application name and package name, the data of install, frequency of use, country, equipment and channel. If non-personal information is combined with personal information, we treat the combined information as personal information for the purposes of this Privacy Policy.

Automatically Collected Information

In addition, applications may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Information we get from your use of our services

We may collect information about the services that you use and how you use them, such as when you view and interact with our content. We may collect device-specific information (such as your hardware model, operating system version, unique device identifiers, and mobile network information Ubisive will not share that information with third parties.)
Location information

When you use a location-enabled service, Ubisive may collect and process information about your actual location, like GPS signals sent by a mobile device. We may also use various technologies to determine location, such as sensor data from your device that may, for example, provide information on nearby Wi-Fi access points and cell towers.

Camera

Certain apps may use camera. Any data from camera and other sensors is neither collected nor distributed by Ubisive. All this personal data is saved only to user's device with user consent and action.

Unique application numbers

Certain services include a unique application number. This number and information about your installation (for example, the operating system type and application version number) may be sent to Ubisive when you install or uninstall that service or when that service periodically contacts our servers, such as for automatic updates. Ubisive will occasionally update this privacy statement. When we do so, we will also revise the "last modified" date of the privacy statement. Contact us if you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at info@ubisive.it.
